Ladies...

The attached file contains ALL the instructions and forms needed to go to the prison, NC Correctional Institution for Women (NCCIW). Please print this file for each member going to the prison with you. These MUST be signed and returned to ME no later than the first of the month that you are going. If you have them sooner, that would be great. Call me and I will be glad to meet you somewhere to pick them up. Include your project write up and any food/drink/plastic cups/plates, etc. The prison will provide ice. You must be there by 4:45 and no later and you must be packed up and ready to leave no later than 7:15. If that time changes, Ms. Burwell will tell you.

If you are not the correct member receiving this for your club, please let me know ASAP so I can update my file and get this to the right one.

The following is each club name and date that you will be going to NCCIW.
